CAUSE

As evidenced by his signature on the attached Probation Form 49, the releasee has agreed to the proposed modification of his conditions of supervised release.

As detailed in the Presentence Report (PSR), the releasee was then identified as the Sergeant-At-Arms of the Pagans Mother Club. As noted in the PSR, the Pagan Outlaw Motorcycle Club (the "Pagans") is an organization consisting of the Mother Club Chapter and local chapters located in several states including, New York, New Jersey, Pennsylvania, Virginia, Delaware, and

elsewhere. The PSR states, "One of the goals of the Pagans is to earn money for its members and associates through a variety of criminal activities, including extortion, debt collection, theft, drug distribution, and protection rackets." It was through the releasee's high ranking role in the Pagans OMC that he perpetrated the crimes for which he was ultimately convicted. The PSR further details illegal activities perpetrated by other members and associates of the Pagans to further their group's criminal interests.

Since his release from custody, the releasee has advised that he will always be a member of the Pagans, although he presently considers himself a "retired" member, and has indicated that he takes great pride in his affiliation with the "club". However, he further related that he understands the Probation Department's concerns about allowing him to otherwise promote affiliation with the Pagans and has agreed to refrain from doing so. The releasee has willingly agreed to the proposed modification with the understanding that the Probation Department would not object to his possession/display of his Pagan clothing, insignias, and paraphernalia within the confines of his private residence.

The Probation Department feels that this is an acceptable compromise in that during the three (3) year term of supervision, the releasee will not be permitted to otherwise publicly promote this criminal organization, and will be prevented from associating with any current or past Pagans members, as well as members/associates of affiliated and/or rival OMC's.

Respectfully submitted,
